9/11 Museum Set Up

Wahlquist students spent a few hours building and setting up the 9/11 Memorial Exhibit at the Fairgrounds which was open to the public September 6th through the 11th. We also lined the entry road with close to 300 flags. We had Latinos in Action, Hope Squad, NJHS Officers, Cheer, and Student Government represented among our 51 student volunteers helping the Major Brent Taylor Foundation. It happened to be USA Day for our Spirit Week as well.
