

9th Grade Honors English

Mrs. Froerer

In order to ensure alignment to the new Common Core State Standards, the focus of this class will be divided equally between reading, writing, language, and speaking/ listening skills. Remember you are now freshmen in high school and will be earning credit toward graduation. Also, this is an accelerated class where more will be expected.

READING: “To become college and career ready, students must grapple with works of exceptional craft and thought whose range extends across genres, cultures, and centuries” (Common Core State Standards, p. 35).

- We will be reading and discussing novels as a whole class.
- You will be required to read self-selected books and show progress throughout each term.

WRITING: “For students, writing is a key means of asserting and defending claims, showing what they know about a subject, and conveying what they have experienced, imagined, thought and felt” (Standards, p.41).

- We will be working on writing skills throughout the year with a special emphasis on argumentative writing.
- We will be using the My Access writing program to improve writing skills using the guidelines given in the Six Traits of Writing.

LANGUAGE: “To be college ready in language, students must have firm control over the conventions of standard English” (Standards, p.51).

- Vocabulary development is vital to success and will therefore be a constant focus of study.
- We will be completing daily grammar exercises to help teach and remind students standard English conventions.

SPEAKING AND LISTENING: “To become college and career ready, students must have ample opportunities to take part in a variety of rich, structures conversations . . . built around important content in various domains” (Standards, p.48).

- There will be multiple group projects throughout the year and you will be expected to work with others toward a common goal.
- You will be required to make individual presentations throughout the year.
- Listening respectfully and offering insightful comments is an important skill to be successful in life. Therefore, listening respectfully will be considered in your letter grade.
