CLASSROOM PROCEDURES

- In order to receive credit for your assignments, all work must be shown with an answer.
- Absent Work - Students are expected to make-up the work for all absences by the Monday following the return from an absence. It is the responsibility of the student to get all make-up work. If absent when a test is given, they will be expected to take the test on the day of their return or make other arrangements.
- Late Work Policy - An assignment is considered late if it is turned in after it is due. Late work is only worth half credit.
- Grades will be updated on a regular basis. You can access your grades at myweber (the portal) at www.wsd.net
- Cheating - Cheating is a serious infraction which will result in a zero on the assignment/test, an automatic drop in citizenship, and parent notification.
- As a math department, we follow all school policies.
